**11. PROPOSED CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF THE INSTITUTE IF ELECTED INTO COUNCIL (NOT MORE THAN 200 WORDS)**

Having being involved in Technology as a user, developer, analyser, implementer, manager and business owner I see a lot of opportunities for Chartered Accountants to enhance their relevance, grow their wealth, and positively impact the society around them. Unfortunately most of our members do not have access to these opportunities.

If elected into council, I will devote my time and reach to helping members see these opportunities, creating them for members and also assisting others who. I have already started it by mentoring over 400 ATSWA members on IT.

I trained some of them (who are still undergraduates) on a technological skill and they have started rendering services and earning revenue while in school.

I am also working with some members to create world class businesses in the digital economy which will positively affect their lives and economy.

I will do much more in this area if elected by assisting in training, awareness, IT network matching and free business Incubation services.

**12. DECLARATIONS:**

I have read and understood the 2019 Call for Nominations, Electoral Rules and Regulations contained therein and I agree to abide by all the rules.

I understand that I will be disqualified or otherwise sanctioned if found to be in breach of any of these rules
