11. PROPOSED CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF THE INSTITUTE IF ELECTED INTO COUNCIL (Not More Than 200 Words)

ICAN has the mission statement: "To produce world-class chartered accountants, regulate and continuously enhance their ethical standards and technical competence in the public Interest" Specifically I propose to make certain interventions in the following areas and bring this to bear in my capacity if elected into Council.

Facilitate collaboration and bring to bear global resources and best practices to assist in positioning the Institute.

Increase the visibility of the Institute and relevance by engaging and creating an interface with global institutions.

I have practiced my career in a first class professional service firm with high ethical standard and technical competency in audit and accounting practice. The rapid pace of change I have seen and the best practices are what I want to bring to bear and contribute back to the profession that made me who I am today. Our Institute should be pride of place and it can only get better and make more meaningful impact in the society if we all standup to serve. I am positive that my election into Council will give me the veritable platform to make a positive impact towards the growth of our profession and also bring about new ideas and initiatives to the Council. With the diverse experience and skills I have acquired over the years, I believe I am in good standing to make these contributons.

12. DECLARATIONS:

I have read and understood the 2019 Call for Nominations, Electoral Rules and Regulations contained therein and I agree to abide by all the rules.

I understand that I will be disqualified or otherwise sanctioned if found to be in breach of any of these rules.
