

PUBLIC FINANCE MANAGEMENT FACULTY

A 3-DAY PUBLIC FINANCE MANAGEMENT MASTERCLASS

FOR WHO?

Chartered Accountants in the Public Sector,
Heads of Service, Finance Experts,
Internal Revenue Officers, Auditors, Bankers,
and Treasurers

MODE: HYBRID

DURATION: 3 DAYS

SYNOPSIS

Traditional cash accounting no longer suffices for emergencies in the public sector space. Hence, the adoption of IPSAS has led to improved quality, credibility, and transparency of Public Sector Financial Reporting.

In view of this, the Public Finance Management Faculty of the Institute has scheduled a Three-day Accrual Basis IPSAS Conversion Masterclass.

The programme aims at capacity building for members in the Public Sector as well as members in practice.

It is a hands-on training procedure from Cash basis to Accrual basis IPSAS using case studies, round table discussion, and videos for easier understanding.

LEARNING OUTCOME

Upon successful completion of the modules, participants should be able to:

- (1) A good grasp of IPSAS First-Time adoption;
- (2) Principles surrounding Service Concession Agreements;
- (3) Evaluation of Social Benefits;
- (4) Ability to make presentation of Budget Information in Financial Statements;
- (5) Public Value Management(PVM):2023 and beyond; and
- (6) Public Sector Sustainability Reporting.
