**REQUEST FOR SCRUTINY OF FRESH PRACTICE LICENCE APPLICANTS**

**Dear Esteemed member,**

In line with the Institute's commitment to safeguarding the integrity and value of the Practice Licence, we kindly request your confidential input regarding members who have recently applied.

Specifically, we would appreciate your confirmation on the following:

- Whether any sponsor of a Practice Licence applicant is not in full-time practice with an ICAN-registered audit firm and is therefore ineligible to act as sponsor; and
- Whether any applicant has not completed the mandatory thirty-six (36) months of full-time, continuous training in an ICAN-registered audit firm.
