TOPIC

Presentation of Financial Statements: Reclassification and Restatement Issues

SYNOPSIS

The discourse of accountancy practice is at the forefront of financial reporting where informed decisions about accessing capital and funds are of importance to providers of finance and users of financial reports.

The 2024 MCPD for the accountancy practice sector is designed to equip participants with the requisite knowledge of key evolving issues and develop workable solutions.

Date: March 6-7, 2024
Time: 9:30am – 1:30pm
Venue: Zoom

Fee: N20,000

Credit Point: 15
