

CORPORATE REPORTING FACULTY

IFRS CERTIFICATION TRAINING PROGRAMME (MODULES 1-2)

SYNOPSIS

There is no gainsaying the fact that International Financial Reporting Standards (IFRS) remain the sauce for the preparation of financial statements. Thus, the need for a deep knowledge of IFRS for all future ready accountants cannot be over-emphasized.

The 5-day ICAN IFRS certification training is well structured to deliver value in line with global best practices. The two-module certification programme has been designed to retool and upskill accountants to become proficient in the use of IFRS.

FOR WHO?

The training is designed for Chartered Accountants, non-Chartered Accountants, Auditors, Bankers, Stockbrokers, Treasurers, and Financial Analysts.

 **N150,000**

MODE: PHYSICAL
PROGRAMME DURATION: 5 DAYS
ATTRACTS 25 HOURS OF MCPE

LEARNING OUTCOME

Upon successful completion of the modules, participants should be able to:

- Provide leadership for IFRS compliance in their organizations
- Put theory into practice during the IFRS implementation process in their organizations
- Handle the people, system and business implications of IFRS adoption
- Provide solutions to issues and challenges they may face while complying with IFRS
- Understand the principles of all the IASs/IFRSs issued to date by IASB
- Understand the roles of all parties in the financial reporting chain/IFRS implementation
- Pass the ICAN certification exam on IFRS Proficiency.
