COMPLETED CONTESTANT FORM FOR MAY 2026 ELECTION INTO COUNCIL OF THE INSTITUTE

15. PROPOSED CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF THE INSTITUTE IF ELECTED INTO COUNCIL

With over 25 years in the public financial sector, I present myself for election into the ICAN Council with a clear purpose to serve. Presently, as Deputy Bursar at the University of Lagos and Fellow of ICAN, I have driven revenue growth of over 400% and upheld rigorous accuracy standards across complex compliance frameworks, including GIFMIS, IPPIS, TSA, and PENCOM. I have also served actively with ICAN's Lagos Mainland District and as a national examination invigilator.

If elected, my contributions will centre on three commitments. First, I will establish a structured ICAN Mentorship programme connecting Fellows with early-career members — this I have been championing in my capacity in the university system. Second, I will strengthen ICAN's ethics and integrity framework accountability in Nigeria. Third, I will elevate ICAN's public-sector policy voice, leveraging my experience at a federal institution to position the Institute as a decisive influence in economic governance.

ICAN shaped the professional I am. It will be my honour to help shape the Institution it becomes.

16. DECLARATIONS:

I have read and understood the 2026 Call for Nominations, Electoral Rules and Regulations contained therein and agree to abide by all the Election rules and regulations.

I understand that I will be disqualified or otherwise sanctioned if found to be in breach of any of these rules and regulations.

15. PROPOSED CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF THE INSTITUTE IF ELECTED INTO COUNCIL

I believe with over ten years experience in the Public Sector and extensive leadership at the District level, I shall bring my wealth of knowledge, exposure and experience to bear in advancing the professional status of our Members with a focus on: 1. Policy Advocacy; where ICAN'S strategic role in influencing, promoting and shaping public policy decisions, laws and regulations will increase the visibility of ICAN Professionals in public sector leadership and decision making positions. 2. Mentorship/ Career Coaching for young Accountants. The " new age" is defined by technology and the young ones must not see it as a threat, but as a great tool for navigating complexity and building a fulfilling, resilient career. Career coaching aids in building more tactical, goal oriented paths. I will like to focus on equipping the young ones with the tools to succeed in their immediate environment and prepare for the next step. 3. To firm up the connectivity between the Institute and District Societies by promoting stronger communication and greater alignment of programmes and initiatives.
