Date: November 21-25,2022

Time: 9:00 am Each Day

Fee: N200,000.00 – to cover training materials, certificate of attendance, payable before the event date.

PREAMBLE

Expenditure on public services accounts for more than two-third of GDP in most countries, hence, interests and expectations of these services are high and management of public funds need to be able to withstand scrutiny from all quarters.

It is in this light of this the ICAN Public Finance Management Faculty is of the opinion that adequate knowledge is required to operate in the public sector environment hence the need for capacity building of finance professionals at the middle level cadre and ensures their proficiencies in Public Finance Management in order to handle the critical assignments. It is a 6-Modular hybrid training programme with award of Certificate of Proficiency in Public Finance Management (CPFM).

NOTE:

Successful completion will lead to the award of **CERTIFIED PUBLIC FINANCE MANAGEMENT CONSULTANT (CPFM)**

Professional Accountants in the public sector as well as those providing Auditing and Consulting services in that space.

Other professionals that wish to top up their existing competencies with specific knowledge and skills around public financial management.

MCPE accredited (30 credit hours)

The Six-modular training programmes shall be thoroughly treated by seasoned professionals
