## COMPLETED CONTESTANT FORM FOR MAY 2025 ELECTION INTO COUNCIL OF THE INSTITUTE

### **15. PROPOSED CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF THE INSTITUTE IF ELECTED INTO COUNCIL**

My contribution will be to further advance efforts at creating opportunities for chartered accountants (accountants) to add value to our society. The case for this pursuit lies in the twin challenge of a rising number of underemployed accountants and a growing concern of a declining relevance of the accountant to the society. I will achieve this objective by leading three initiatives.

First, I will motivate relevant stakeholders in our society to seek mutually beneficial relationships with accountants by enabling fora for stakeholders to understand the benefits of obtaining the services of accountants.

Secondly, I will engage relevant stakeholders to create awareness on best practices and benefits derivable from accountants in leading countries. Some stakeholders, such as the legislature and the press act as catalysts for the implementation of best practices and getting them involved will enable early adoption of standards for the benefit of our society.

Finally, I will develop an endearing program of mentorship to drive continuous capacity building of the accountant. The environment in which the accountant practices is dynamic and therefore there is a need for a comprehensive plan for continuous learning. A mentoring program that enables timely sharing of experience will make a positive difference.

### **16. DECLARATIONS:**

I have read and understood the 2025 Call for Nominations, Electoral Rules and Regulations contained therein and agree to abide by all the Election rules and regulations.

I understand that I will be disqualified or otherwise sanctioned if found to be in breach of any of these rules and regulations.
