# PUBLIC FINANCE MANAGEMENT FACULTY

## PUBLIC FINANCE MANAGEMENT CERTIFICATION TRAINING

### FOR WHO?

Chartered Accountants in the Public Sector, Heads of Service, Finance Experts, Internal Revenue Officers, Auditors, Bankers, and Treasurers.

**Mode: Hybrid**
**Duration: 5 days**

## SYNOPSIS

It is pertinent that professional accountants are equipped with the right skill set to combat the challenges ahead bearing in mind the velocity of change and the volume of expenditure in the public sector.

Government's lack of transparency and accountability has led to public criticism, putting the sector in the limelight. The general belief is that no financial misappropriation can be carried out without the Accountant.

In response to this, the 6-Modular training programme with award of Certificate of Proficiency in Public Finance Management (CPFM) was developed to promote practical and broad-based knowledge for finance professionals.

## LEARNING OUTCOME

**Upon successful completion of the modules, participants should be able to:**

**(1)** gain a robust practical and broad-based knowledge in public finance management;

**(2)** have a better understanding of PFM reforms in the Office of the Auditor-General;

**(3)** seamlessly prepare IPSASs compliant financial statements;

**(4)** demonstrate competence in the area of Governance, Transparency and Accountability in public finance management;

**(5)** transform the quality of deliverables through the acquired skill set;

**(6)** access study materials, videos and case studies to promote post-certification learning; and

**(7)** successfully pass both the written and viva assessment to qualify for CPFM.
